SOLDIERS SERVING PREVIOUS TO 1865, OR THEIR WIDOWS

n your declining years as some of your comrades are enjoying? It is a possible thing, if you will use the means. Perhaps the greatest discomfort you have arises from old chronic adments, from which very few, if any of you, are entirely free. While you live, we would be pleased that you smould have the utmost happiness and comfort possible, and we have the means of contributing no small amount towards that feature. nesses upon eath in the courts have testified that it cured after the doctors had

exhausted all their skill and failed. The highest authority, the United States Health Reports, say it is the only positive cure for all chronic nervous diseases, insomnia, rheumatism, malaria, piles, hrug, liver, stomach, bladder and kluney troubles. Your comrades endorse it. Ex-Commander of the G. A. R. post at Chicago, Dl., A. P. Cennolly, in a personal letter to the manager of this company, says: "I have known the Oxygenor King for years, and never hesitate to recommend them. The letters you see published I am sure are all genuine. I do not believe this is a day of miracles but if there is any little thing in the world that will benefit a man it is the Oxygenor King. It is my doctor. I do not expect to liveforever, but while I do live, I wish to en-

joy myself." Comrade H. H. Ruby, company H. 186th regiment, Ohlo volunteers, department Tennessee, writes us under date of March 4, 1900, from Custer City, S. D.: "Gentlemen: I believe it a DUTY I swe my fellow man to make this statement. For almost thirty years I have been troubled with Catarrh. Conscipated for twenty years, attended with piles. Lately I have had Bright's Disease, accompanied with Gastritis of the Stomach, causing Heart Failure. Have tried every remedy suggested, and when I read your advertisement of the Oaygenor King, in the Omaha World-Herald, the remedy seemed so strikingly different from anything I had ever tried, that I sent for a Perfected Oxygenor King, which was received a few days later. The first night's use of it took the bloat out of my stomach, and the heart failure has bothered me no more. I learned from the in struction book that I should have what is called the distension attachment with the P. O. K., and procured it. Two weeks' use of the distension attachment. with the aid of the P. O. K., rid me of the piles and constipation, proving to me that they were the cause of all my misery. No tongue can tell what suffering I have endured, and I felt at times that I was dead to the world, but the P. O. K. has wrought a wonderful change in me. I have had MORE PLEASURE in life during the last two months than for the last twenty years, and to the Oxygener King I willingly give the credit. In the light of what it has done for me, no intelligent person ought to waste their money and time on doctors, drugs and patent medicines, only to be robbed of health and the pleasures of life as I have been. I feel rejoiced to know that hereafter NO ONE NEED TO suffer the terments that have been my lot, as long as a P. O. K. is obtainable. There is not good and diamends enough to buy my P. O. K. if I could not get another. For the giorious work you are doing for the sick and afflicted, you have my best wishes for suc-
